

HIKING AND BIKING SOCIAL DISTANCING PROTOCOL

Trails and roads open daily 9am to 4:30 pm

We invite you to enjoy hiking and biking on our trails and roads. Please follow these simple guidelines:

- Park your vehicle by the tasting room and let us know you are here. (One person at a time in the tasting room; line up by the 10-foot-distance orange pegs outside if somebody is already in there).
- If this is your first hiking or biking visit, please drop off your Liability Release form in the box on the porch. (Form available inside and at SixSigmaRanch.com/Visit/)
- Our most popular trails and roads lead in different directions and combine to more than 10 miles, so social distancing should not be a problem during your self-guided tour. If you should happen to come across other groups, make sure to observe social distancing while passing them.
- Please do not plan to meet here with friends who are not part of your household. (Sorry! We just want everyone to be safe.)

Our complete **Social Distancing Protocol** is available at the tasting room and at SixSigmaRanch.com/Visit/ where you can also find our wildflower guide as well as other information about the ranch.

Enjoy your visit!
